SNOW PLOW

43000 PN

SNOW PUSHER FOR
LOADERS AND GRADERS

4300 PN

In the harshest winter conditions, nothing is more effective than our 4300PN snow pusher. Its rugged design makes it possible to quickly and efficiently push and pull a large volume of snow at a time while its quick-coupling mechanism follows the grade of the surface to be cleared.

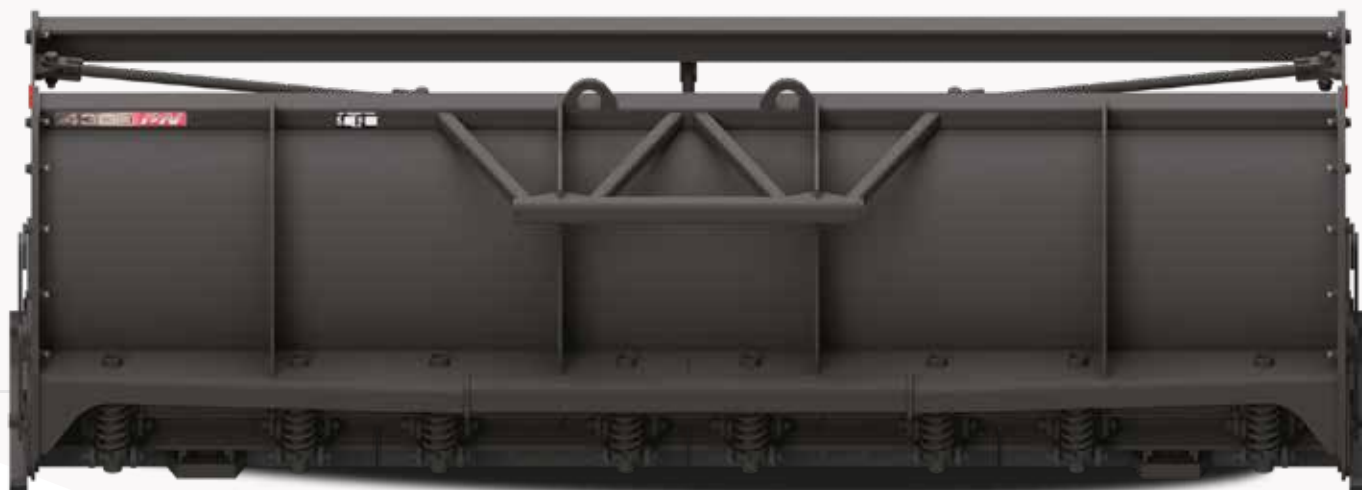

MODELS, DIMENSIONS AND WEIGHTS

WIDTH AND HEIGHT	8 feet	10 feet	12 feet	14 feet	16 feet	20 feet
36" (36" long)	4301	4302	4303			
48" (48" long)	4305	4306	4307	4308	4309	4310
48" (60" long)	4311	4312	4313	4314	4315	4316
54" (60" long)		4318	4319	4320		
54" (72" long)		4321	4322	4323		
54" (84" long)		4324	4325	4326		

W. Côté et fils reserves the right to modify the design of its products without notice.

TECHNICAL SPECIFICATIONS

The 4300PN is equipped with a bolted reverse blade, two supports for when the plow is parked, two jacking points on the upper part and a system for activating the wear blades in the event of an impact.

OPTIONS

Several options are available for the 4300PN.
